Connect to App for Parents

1. Installation

Our Proed app can be found on both the app store and play store for free. Simply search 'Proed' and download to enjoy all of our online features and services.
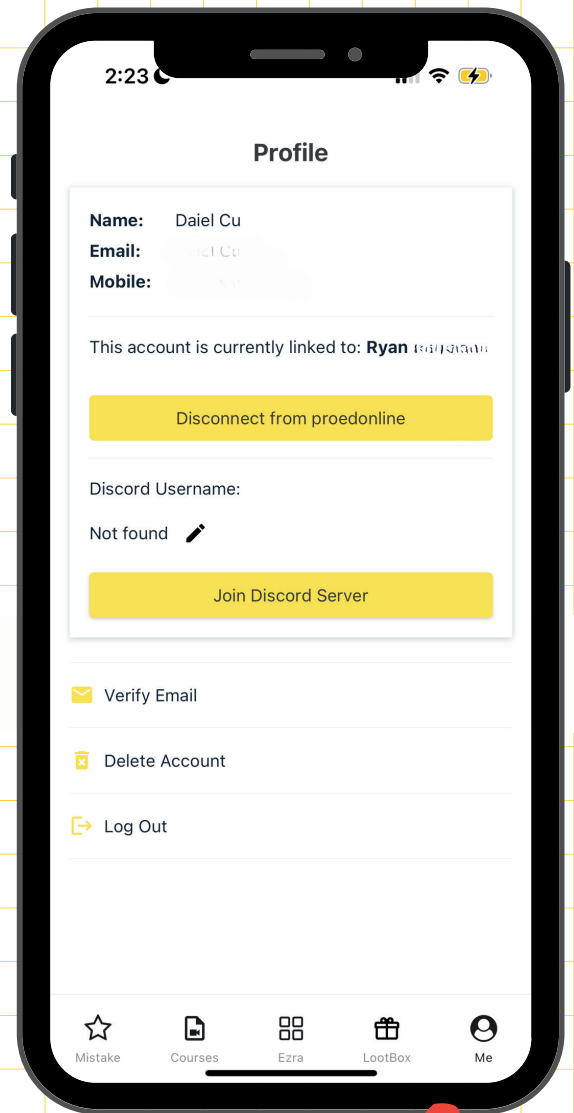

2. Login to your account

When you open up the app, enter the Guardian phone number associated with your Proed Online account. Once you enter the security code sent to your phone number, you will have successfully logged into your account

* Please ensure that you have connected to Proed Online before you complete this step.
